## BUSINESS OF IMPORTANCE TRANSACTED BY THE COMMITTEE.

A Schedule for the County Campaign Adopted—Candidates Assessed—Committees Appointed to Arrange for the State Campaign Meetings, June, etc.

The County Democratic Executive Committee met in the Court House on Saturday at 11 o'clock, with County Chairman Goggans presiding. The meeting was pretty largely attended.

The meeting was called for the purpose of arranging a schedule for the county campaign meetings and deciding on the assessment of candidates.

A motion prevailed and a committee of five was appointed for the purpose of arranging a schedule and submitting it to the whole committee for adoption. This committee was composed of Chairman Jno. C. Goggans, F. H. Dominick, B. B. Leitzey, R. T. C. Hunter and W. H. Hunt. They reported as follows, and the county campaign meetings will be held at the places named on the dates mentioned:

CANDIDATES MUST SIGN PLEDGE.

On motion the committee decided that all candidates must sign the pledge and pay their assessments by 12 o'clock on the day preceding the first campaign meeting, which will be Tuesday, July 15th. Candidates should bear this in mind.

Several parties wanted to furnish barbecues on the day of the State campaign meetings, but all arrangements were left to the committee on arrangements.

The following committee was appointed to make all necessary arrangements for the State campaign meetings: Geo. B. Aull, M. L. Spearman and B. B. Leitzey.

It was decided that the State campaign meetings be held in some grove near town, the exact place to be selected by the committee on arrangements. At the regular time prescribed in the party constitution the Monticello club failed to organize, and on motion Saturday, July 12th, was set for that club to meet and organize.

## BURNED TO DEATH.

J. Butler Kinard Perishes in His Burning Home—Suspicion that He Was Robbed and Murdered.

A house on Mr. H. H. Evans' place, about four miles south of the city, was destroyed by fire at four o'clock Saturday morning, and its only occupant, Mr. J. Butler Kinard, aged about sixty years, was burned to death. His body, with the exception of a very small portion of the trunk and one hand, was burned to a crisp.

There have been rumors afloat that Kinard was robbed and murdered, and the house set on fire to conceal the crime.

It is known that only a few weeks ago he had something over \$200 and it is thought that he had this amount, together with two watches of not much value, with him in the house at the time. No trace of money or watches has been found. The report has also been circulated that a pistol shot was heard in or near the house just before the fire. However, nothing definite is known.

The Coroner held an inquest over the body Saturday, but no verdict was reached and the jury adjourned to meet at Mr. J. W. Derrick's at 1 o'clock on next Saturday, when a further investigation will be made.

The running team is composed as follows: Captain—T. O. Stewart, Jr. Pipeman—Philip Flynn. Wrenchman—G. G. Daniels. Couplerman—Geo. M. Kinard. Buttman—T. O. Stewart, Jr. Slackman—B. A. Kempson. Tongueman—T. H. Pope, Charles Speck.

Derrick, of Newberry College, opened in the Boundary street graded school building yesterday morning. Nothing was done yesterday morning except the making of announcements and assignment of work. The school will continue for four weeks, and the sessions will be held each day from 8.30 a. m. until 12.30 p. m.

## Martin Stewart.

Mr. C. Burr Martin, of this city, and Miss Maybelle Stewart, of Prosperity, were married at the home of the bride's parents in Prosperity yesterday morning. The ceremony was performed by Rev. G. H. Shaffer, pastor of the Methodist Church. It was a quiet home wedding, only a few relatives of the contracting parties being present. The bride and groom immediately after the ceremony left for a bridal tour to Greenville and Atlanta and other points. The young couple have many friends in this county who wish them much happiness.

## Convicted on Several Charges.

Charlie Cooper, colored, was tried before Magistrate Chappell on Friday, the 20th, for shooting Geo. Collins, colored, in the foot. The magistrate, after consulting Mr. Alan Johnstone, on whose place the difficulty occurred, concluded not to send the case up to the circuit court on account of the cost that the county would have to undergo. So in order that the negro should receive just punishment the magistrate tried Cooper for assault and battery on Geo. Collins, for assault on old man Collins, and for assault on the Collins woman, and for carrying concealed weapons, and for malicious trespass. He was convicted of each offense and sentenced in each to pay a fine of \$30 or serve 30 days on the chain gang. Each sentence to take effect at the expiration of the other.

## Monticello Democratic Club.

The members of the Monticello Democratic club are hereby called to meet at the Monticello School House on Saturday, July 12th, at 2 o'clock p. m., for the purpose of re-organizing, permission having been given by the Executive Committee to do so at that time. J. B. STOCKMAN, Pres.

## Violating the Dispensary Law.

The mayor had several small cases before him yesterday morning. One was for violating the dispensary law. It seems that Press Gray, a negro living on Friend street, near the C. & N. E. depot, has been in the habit of dealing one X dispensary corn to thirsty Sunday customers. Sunday morning he was caught in the act by Chief Hunter. Yesterday in court he denied the charge. There was no proof that he had sold the whiskey, but there was evidence that he had handed a half pint to one Dick Taylor, and that Taylor had laid 25 cents on the table and walked out. Press was given \$35 or 30 days.

## State Just What You Want.

There is a lot of the most desirable trade that no one gets who doesn't handle "Clifton" goods. Users of "Clifton" can't be satisfied with any other kind. "Clifton" has established a new standard, a standard of purity and the highest excellence. If you have not used "Clifton" recently, you should by all means instruct your grocer to send you a sack when you order flour again. Don't let him persuade you he has something just as good. He may be buying other so-called patent flour at a little less than he pays for "Clifton," and he naturally wants to push this on you because he makes a few cents more on it. Insist on having "Clifton" if you want the purest and best. Bransford Mills, Owensboro, Ky.
